HUD User offers APA chapters use of recent relevant articles for your readership. As you may be aware, HUD User, the online clearinghouse for HUD's Office of Policy Development and Research (PD&R), is the primary source for federal government reports, forums, statistics, and articles on housing policy and programs, building technology, economic development, urban planning, and other housing-related topics. PD&R is pleased to extend the following list of informative articles to the chapters of APA for reprint in their newsletters, as many planners have expressed an interest in affordable housing, policy, and community development issues.

- Landmark Family Options Study Has Clear Policy Implications *The Edge*, November 2016
- Rochester View Apartments Provide Affordable Housing Designed for Residents Who Are Deaf, Hard of Hearing, or Use ASL *The Edge*, November 2016
